Second Creek Farm Park

A brand new 6-acre park is coming to the Second Creek Farm neighborhood. The new park is located east of Telluride Street, north of the new Capstone Academy. The new neighborhood park will feature a playground with equipment for 2-5 and 5-12 year-olds, a ninja adventure course, an amphitheater with lawn for community events, shade structures and picnic benches, a flush restroom, a basketball court, and a small parking lot. Construction on the new park is starting in fall 2025, with an opening anticipated in mid-2026.

River Run Park Playground

A new inclusive playground is being installed in the River Run neighborhood park in fall 2025 to replace the existing aging playground. Community members selected a preferred design during a public engagement process that occurred in late 2024 and early 2025. The new playground has equipment for 2-5 and 5-12 year-olds. The playground features slides, monkey bars, and climbing elements.

PARKS & TRAILS

Commerce City is home to 20 parks, 25 miles of trails, more than 960 acres of open space, and a world-class golf course. With these recreation opportunities and a national wildlife refuge that's in the city's backyard, Commerce City has something for everyone.

Henderson Hill Overlook & Buckley Trails

The Henderson Hill Overlook and Buckley Trails are located on the Rocky Mountain Arsenal National Wildlife Refuge and are accessible via the paved parking lot at the intersection of E. 96th Avenue and Chambers Road.

Sand Creek Regional Greenway

The Sand Creek Regional Greenway is nearly 14 miles of public greenway (4 miles of which is in Commerce City), connecting the High Line Canal trail in Aurora with the South Platte River Greenway in Commerce City.

Prairie Gateway Open Space and Trail

The Prairie Gateway Open Space and Trail is located just north of the Civic Center. This 190-acre open space includes a 2.4-mile, soft-surface perimeter trail with shelters, benches, a drinking fountain, and an overlook area with beautiful views of the Rocky Mountain range.

Fernald Trail

The trailhead is located at E. 70th Avenue and Colorado Boulevard. The concrete trail connects to the South Platte River Trail. It is adjacent to the Commerce City/E. 72nd Ave. station for the N-Line light rail.

Second Creek Greenway Trail

This soft-surface trail is part of a regional trail system that will be 17 miles when completed. It runs along Second Creek and through open space areas next to the creek. In Commerce

City, it goes from E. 96th Avenue to E. 108th Avenue. The Second Creek Trail connects to the Rocky Mountain Arsenal National Wildlife Refuge Perimeter Trail and features two loops adjacent to area neighborhoods. This trail welcomes on-leash dogs, offering disposal stations as well as benches for resting. The trail also has two small shelters, six shade benches, and a restroom. The trail has regional significance, as it will eventually pass through Brighton, Adams County, Commerce City, Aurora and Denver and connect to the South Platte River Greenway Trail (which is a designated segment of the Colorado Front Range Trail) and the High Line Canal Trail.

Rocky Mountain Arsenal National Wildlife Refuge Perimeter Trail

This is an 11-mile, soft-surface trail that runs north along Quebec Parkway and Highway 2, east along 96th Avenue and then south along Buckley Road. The trailhead is on the north side of the Civic Center at Prairie Parkway and Gateway Road in the Prairie Gateway Open Space.
